Shipping

Shipping cost and delivery time depend on the destination. Rates below are per order; delivery times are business days from when an order ships, not from when it's placed.

Region	Standard	Cost	Express	Cost	Free Ship Over
United States	3-5 business days	\$4.99	1-2 business days	\$14.99	\$40.00
Canada	5-8 business days	\$7.99	2-4 business days	\$19.99	—
United Kingdom	6-10 business days	\$9.99	3-5 business days	\$24.99	—
European Union	7-12 business days	\$11.99	4-6 business days	\$27.99	—
Australia & New Zealand	8-14 business days	\$13.99	5-7 business days	\$29.99	—
Rest of World	10-21 business days	\$16.99	Not available	—	—

Destinations not listed above ship at the Rest of World rate. Express shipping is not available for all destinations.

General Policies

[Resetting Your Password](#)

To reset your password: go to the Bookly login page and click 'Forgot Password'. Enter the email address on your account and a reset link will arrive within a few minutes. The link is valid for 24 hours. If it doesn't arrive, check your spam folder before requesting another one.

[Accepted Payment Methods](#)

Bookly accepts all major credit cards (Visa, Mastercard, American Express) and PayPal. Payment is charged at the time an order is placed.

[Changing or Cancelling an Order](#)

Orders can be cancelled free of charge as long as they haven't shipped yet. Once an order has shipped, the address and items can no longer be changed — it will need to be returned after delivery instead.

[Returns & Refunds](#)

Books can be returned within 30 days of delivery, in their original condition. Bookly provides a prepaid return label, and the refund releases to the original payment method once the carrier scans the returned package.

Support Hours

Our support team is available Monday through Friday, 9am to 6pm ET. Outside these hours, this assistant can still help with most order and catalog questions.
